

PRE- MAJORS FUTURE STARS EVENT

Participants in the Dixie Pre Majors wood bat event were divided into four Future Stars teams: **EAST- WEST- NORTH- SOUTH.** Tournament rosters from the event along with the line scores can be viewed below. After two days of play the West team emerged as tournament champions with a 4-0 record. In the finals, the West team defeated the East Stars by a score of 8-2. Both of the losses suffered by the East Stars came from the games against the West Stars.

Eufaula, Alabama along with the Eufaula/Barbour County Tourism Committee again served as the host for the event. Keef Pettis, Parks & Recreation Director, his staff and a team of excellent volunteers worked together to host the very successful event. A social event was held Friday night for the players at the baseball complex. First Baptist Church of Eufaula provided breakfast for those in attendance at the church on Sunday morning.

Jerry Brewer served as the Dixie Pre-Majors Tournament Director and he commented, "We really appreciated the hospitality provided by the City of Eufaula. The participants enjoyed the event and we witnessed some exciting baseball. Keef and his staff are great to work with and our Dixie officials in attendance were certainly pleased with the tournament."

Old Hickory Bats provided the jersey tops and wood bats for the event. Anyone interested in the purchase of wood bats can visit the official company website at: <http://www.oldhickorybats.com> for more information.
