15U DIVISION – 2016 ALABAMA STATE TOURNAMENT

Eufaula will serve as the Alabama tournament host for the 2016 state event of the 15U Division. The event will be held June 16-19 at Old Creek Town Park & Eufaula High School Baseball facilities. The tournament is scheduled to start Thursday, June 16.

Eufaula, Alabama settled high upon a bluff overlooking the beautiful 45,000-acre Lake Eufaula, is located in southeastern Alabama along the Alabama-Georgia border, approximately 90 miles southeast of Montgomery, the state capital. Southern charm is a trait that comes naturally in Eufaula and Barbour County. The community holds the power to allure and delight, not only tourists, but inhabitants as well. With a choice of restaurants to suit everyone, a variety of places to stay, and an abundance of recreational activities, you'll enjoy your time in Eufaula and you'll want to come back, again & again.

The previous 15U state tournaments events held in Eufaula were originally slated to have eight participating teams. Overall interest in the tournament led organizers to expand the tournament field. Teams from throughout Alabama participated in last year's event. The Wiregrass Cardinals were crowned as the 2016 Alabama 15U State Champions with the team from Bay Minette ending as the runner-up. The Wiregrass Cardinals advanced to the REGION ONE 15U tournament and finished as region runner-up.

The inaugural 2016 World Series event for the 15U division will be held July 21-24 at Eagle Stadium in Ozark, Alabama. Teams entering the Alabama 15U state tournament will have the opportunity to advance to the World Series. Complete details about the 2016 World Series 15U division will be released by May 15th, 2016.
