2016 WORLD SERIES- 15U DIVISION OZARK, ALABAMA

Ozark, Alabama was recently selected as host city for the inaugural 15U World Series. The tournament is scheduled for July 21– July 24, 2016. Located in Southeast Alabama, Ozark is the best of both worlds....a small town atmosphere with friendly people, yet close to other cities and many attractions. Ozark prides itself in being: A city for all seasons.... A city for all reasons....

During the upcoming 2016 season, historic Eagle Stadium will celebrate 70 years of great baseball. The stadium built in 1946 has served as a home to both professional and amateur baseball. The showcase facility has been renovated, yet still has the old time look of a 1950's professional baseball stadium. The backdrop mixture of residential and business surrounds the stadium and protrudes a calm and relaxing atmosphere for players and spectators alike. More than adequate sheltered seating with ceiling fans greatly enhances tournament viewing and spectator comfort.

Sandy Jones, Commissioner/CEO stated; "Dixie Boys Baseball, Inc. certainly looks forward to our first World Series for our 15U division. Eagle Stadium will celebrate its 70th anniversary in 2016 and we are excited to be included in this historic occasion. As host for three consecutive years of our 15U regional events, Ozark rightfully earned the opportunity to host our inaugural World Series. As an organization, we are pleased that we are able to provide additional opportunities for youth to participate in baseball. More information about the 15U World Series will be made available at: www.dixie.org/boys."
