To: All Participants and Spectators of the 2018 Dixie 15U Division World Series.

On behalf of Dixie Boys Baseball, Inc. it is with pleasure that I welcome each of you to the 2018 Dixie 15U Division World Series. We have an opportunity to reflect on the overall baseball season during tournament time. Wonderful and dedicated volunteers made many contributions in order for us to have a successful 2018 program. Dixie Boys Baseball, Inc. wishes to express its' gratitude to everyone involved. We are very blessed to have outstanding people and are pleased with the success of 15U baseball!

We are most grateful to Ozark, Alabama for having extended an invitation for us to visit the area. Ozark always steps up to the plate; including serving as the World Series Host for our inaugural 15U World Series held in 2016. Steve Sherrill, Tournament Director and the City of Ozark have been very hard at work in preparing for this tournament. This small community with the big heart has certainly won over all of our Dixie officials. We hope that everyone in attendance will enjoy the great hospitality as well as the exciting baseball that will be on display throughout the series.

We thank the parents, relatives and friends for your attendance at this series as well as the games during this past season. We are very proud of our program and the 22,000 plus participants that comprise Dixie Boys Baseball, Inc. Our program continually strives to put the needs and wishes of the participants first. The creation of our 15U division has allowed many more youth to enjoy the great game of baseball.

It will be non-stop action on two ballfields with thirty-four (34) games scheduled. We know that the City of Ozark along with Wallace Community College will do an outstanding job with our 15U event. A special thank you to Dr. Linda Young, Wallace College President and Coach Mackey Sasser for granting approval for us to play at the college field. I wish everyone the best in this our third 15U division World Series.

Sincerely;

J. Sandy Jones, Commissioner/CEO
Dixie Boys Baseball, Inc.
